

MARCH NEWSLETTER

COVID POSITIVE ?

Have you played at the club recently and now tested positive for Covid? This will surely happen sooner or later. If you have played recently and receive a positive Covid test result, please contact the President Ady Dale on 027 6229116 or the Secretary Rae Lutman on 021 2611239. We won't broadcast your name although you should tell your recent partner(s). All the same we are obliged to inform the membership if there is a possibility that Covid has been about during a session. Players can then make an informed decision about whether to come into the club to play.

AREA PAIRS

The Kapiti Horowhenua Area Pairs begin on Thursday 17 March. This new once-a-month tournament is hosted this year by Waikanae Bridge Club. Put in your entry through NZ Bridge.

ST PATRICK'S DAY

We plan some St Patrick's Day silliness on Thursday 17 March. Wear green and do your best to win a trick on the 2 of clubs.

RUBBER BRIDGE

Do you want more bridge in your life? You can play in your own time in the National Rubber Bridge competition. You start playing locally and the winners go on to regional and national finals. Because the hands are dealt by the players at the time of play, luck can be on your side. Details are on our website, or contact the convenor Graham Cheater grahamlcheater@gmail.com

BEGINNERS' LESSONS

This year's Beginners' Lessons start on 14 March at 7.00pm. Judith Jackson will be teaching newcomers as usual, every Monday for ten weeks. Talk to your friends who like playing cards and see if they would like to give bridge a try. Current members can join any or all of the lessons at no charge.

SESSION CARDS – A REMINDER

This is a reminder that the cost of a 12-session card became \$45 last November. It is no longer \$40. We know it is easy to forget the change, but please try to remember!

Happy Bridging

Ady Dale
President
