

MAY NEWSLETTER

Pot Luck Dinner

Our next Pot Luck dinner will take place on Friday 28 May in the clubrooms. Be here by 6.00pm with your partner and a plate of food. We will have some social time with a glass of wine before play starts at 7.15pm. Apologies for the late notice this time. The next one will be scheduled well ahead of time.

Bathroom Refurbishment

The disability bathroom will be ready to use any minute now. Work on the women's and men's blocks is scheduled to begin on or before Tuesday 8 June. We expect to be enjoying the new facilities well before our Multigrade Pairs tournament on Sunday 1 August.

Life Members

Do you know who our Life Members are? How did they come to be playing bridge with us at this point in their lives? You can browse through their entertaining back stories on the website, as written up by Miriam Lewin. Go to Who's Who on the top line of the home page.

Large Bidding Sheets

The club now has bigger and better bidding sheets for those with impaired vision, and thank you to Rene Henke for bringing his boards and sheets to the club to start us off. We are grateful to Steve Ricketts for making some new boards to hold the paper. The bidding sheets are kept in the cupboard at the front of the room with the small bidding blocks. Black marker pens are available from the cupboard in the office. With a bit of luck we might find people make bigger bids.

If there is any other way we can help with impairment or disability please let one of the Committee know.

Swiss Pairs

Swiss Pairs will be played on three Tuesday nights in June. To play in this series you must pre-register by Tuesday 1 June. Enter your partnership on the sheet on the top table. You should expect to play all three nights and a substitute is allowed.

Another series of Swiss Pairs is scheduled for Fridays in August; Swiss Teams are scheduled for four Tuesday nights in August and November/December. Pre-registration is necessary for all four Swiss series because full tables are required and player names are pre-entered for the first session. So please make sure you have entered by the deadline date or you could miss out.

Caption competition

Send in your caption for the accompanying photograph to adydale@xtra.co.nz
